FORUM24 Problem-Solving Power Hour (as of 10/24/2024)

**Exhibit Hall**
Tuesday, Oct. 29, 2024, 10:00 - 11:00 AM
Wednesday, Oct. 30, 2024, 10:00 - 11:00 AM

Discover best-in-class strategies to common EHS and ESG challenges from leading experts during this innovative session. You'll benefit from a series of rapid-fire presentations from experts with broad industry knowledge. Each expert will address a specific challenge and share tools, strategies, and solutions that will help you advance your EHS&S program. Attendees will rotate around the room every 10 minutes to hear a different expert's presentation.

The challenges each expert will address are listed below with similar challenges grouped together by topic. Please choose the presentations that most appeal to you.

All booths are 8' x 10'
